Dear Andrei

Re: PAS 2030/ SWIGA confirmation of Alumasc Facades Approved Installer Status

This letter is confirmation of the approved status Pioneer Wall Cladding & Building Insulation Ltd hold for the installation of Alumasc Façade Systems, including:

External Wall Insulation systems for Refurbishment and New Build:

- Swisslab
- Swistherm

The installations of these systems are currently issued with an Alumasc warranty. In addition, Alumasc will supply our systems for Pioneer projects covered by a SWIGA guarantee.

Please contact me for any assistance.

Yours sincerely

Pete Thompson
